

## Make us yours

**G C D G**

Even now, return to Him

**G C D Em**

Rend your hearts, and come to Him

**G D C**

For He is ever faithful

**D Em**

To heal our faithlessness

**G D C**

The Lord will make us His

**D G Dsus**

If we would but return

**D G**

Make us yours, Lord

**D Em**

Make of us a people

**C**

Precious in your eyes

**D G**

Made whole for you

**Dsus Em**

Come restore, Lord

**G D C**

To send us forth, Lord

**Am Am/G Dsus**

To walk in holiness with you

**D C G**

Lord, make us yours

From the north He calls His sons

His children come from far away

Overcome with gladness

By streams of living water

The ransomed of the Lord

Will return to Him
